SPEAKING BY

JUDGE O'REAR

At the Tabernacle at Madisonville
Saturday Afternoon at
2:00 O'Clock

DISCUSSES ISSUES OF THE DAY

An audience of about 1,000 heard Judge E. C. O'Rear, Republican nominee for Governor, speak at the Tabernacle in Madisonville, Saturday afternoon at 2:00 o'clock.

He devoted the greater part of his address to a discussion of the failure of the legislative bodies of the country to properly reflect the will of the people, which he attributed largely to the corrupt manipulation of the special interests.

He declared the constitution of the state of Kentucky had been nullified by the legislature, that equal representation had been denied the people, that the requirement for a county unit election on the regulation of the liquor traffic had been prevented. He declared that these things were intended to operate in the interest of a party or interest, but in the end deprived the people of their rights and overthrew the bulwark of liberty.

He declared the liquor interests and the corrupt corporate interests generally were organizing to defeat him, and that the Democratic platform was disingenuous in dealing with the county unit and other questions.

Judge O'Rear arrived at noon from Paducah and was met at the station by a large reception committee, headed by the Klub Kentucky band, of this city, and was escorted to the Hotel Madison, where an informal reception was held.

Judge O'Rear was introduced by George King, of this city, Republican candidate for representative.

Those present were; Misses May and Edith Price, Kathleen Stone Willie Baldwin, Bertha Vaught, Elizabeth Rash, Helen Browning, Edith Owen Sisk, Eleanor Arnold, Lucile Crosby, Sue Wade Davis, Cynthia Watts, Margaret Coward, Mary Moore Randolph, Louise and Virginia Newton, Margaret Rogers, Margaret Ashby, Ernestine Renfrow, Dorothy Corbitt, Mabel Wyatt, Edith Howell, Elizabeth Montague, of Parkersburg, W. Falls From First Floor of New Dulin Building

W. B. Bondurant, the prominent tinner of Madisonville, fell from a ten foot scaffold Monday afternoon cutting a large gash in his head and causing unconsciousness for some time. Mr. Bondurant was putting on ceiling when the scaffold gave way and threw him to the pavement. He was taken to the office of Dr. Hammack where the scalp wound was dressed, this having required four stitches to be sown up. Mr. Bondurant also sustained a very bad strain in his back, and will be laid up for several days.

A Much Married Couple Married Again

B. F. Fuller, a miner of Ilseley 47 years old, and Mrs. Lizzie Thompson of the same place, 37 years old, were united in marriage by County Judge Bradley Saturday morning and the wedding is one which broke every record in Hopkins county.

It was the fourth marriage for each of them. The groom has had three wives before and the bride three husbands. And they were the two jolliest persons for whom Judge Bradley ever had the pleasure of manufacturing a knot.

Wrecker Derailed This Side of Pembroke

A small wreck having occurred at Kellys Monday, the wrecker at Nashville was sent for, to clear it up. On the way to Kelly's the wrecker was derailed at West Fork this side of Pembroke, causing No. 95 to be derailed via the I. C. Road. There was no one injured and the wreck is spoken of as being one of the most fortunate that could have occurred.

COMPLETE PLANS FOR GERMAN DAY JUBILEE

The plans of the executive committee for the celebration of German Day are practically complete, and from all indications the celebration will be even more elaborate than was at first contemplated. Beginning with the convening of the convention of the Alliance of German societies of the state of Indiana on Sunday, Sept. 24, and ending with the river pageant on Friday, Sept. 29, Evansville's gala week will offer a distraction and an entertainment every minute of the time, and visitors to the city will find none of the time of their visit hanging heavily on their hands.

Sunday evening there will be a "Komers" for the members of the convention, followed by an excursion on the Ohio river. On Monday morning the convention will have its session and in the afternoon the delegates will see the city by automobile. In the evening a pre-German Day celebration will take place at Evans Hall. Tuesday is German Day, opened by a reveille at dawn, and made memorable by the most magnificent street parade that Evansville has ever known, with the German Folkfest at Garvin's park in the afternoon.

On Wednesday the Fall Opening of the Retail Merchants takes place, and

on the same day the Home-coming celebration at Cook's park. In the evening a grand concert and monster exhibition of fireworks will signalize the event at Cook's park. For Thursday the plans of the committee comprehend a Retail Stores' Exhibition, an aerohydroplane meet on the river, and a great automobile parade in the evening. On Friday, the last day of the celebration, there will be an exhibition in the retail stores of the city in the morning. In the afternoon, yacht races and other aquatic sports will be the feature, and in the evening the celebration will be closed by a spectacular "Venetian Night" on the Ohio, during the course of which the athletes of the Central Turnverein will perform various gymnastic feats, and throughout the whole evening magnificent fireworks will make the scene one of wonderful mysticism and enchantment.

And thus the plans of the committee contemplate making Evansville, for nearly an entire week, a pleasure garden, a playground, for all its citizens and the thousands and tens of thousands of visitors who will come to see the most spectacular pageant that any city of Evansville's size has ever attempted to produce in the new world.

CAVE PARTY

LEFT SATURDAY

For Evansville, Where They Took
the Steamer City of Evansville for Trip

UP THE BEAUTIFUL GREEN RIVER

Saturday morning a large and merry party, all wearing a badge with the inscription, "The Earlington Bee's Mammoth Cave Trip, September 2, 1911," boarded No. 62 for Evansville. Conspicuous in the number were the five winners of the Bee's contest, Misses Ida Lee Sisk, Willie Jenkins, Aurella Waller, Cath Medlock and Verna Oates. Parties from here, St. Charles, Mortons Gap, Madisonville, Henderson and Carmi, Ill., swelled the crowd to 42, that being the number to board the steamer City of Evansville that afternoon in that city.

The trip up Green river is one of the most beautiful that can be imagined and it would be hard to find anything in the Old World to beat it in natural beauty. Tourists from all over the world come to see the beauties of Green river and the wonders of one of the greatest natural curiosities of the world, the Mammoth Cave, of Kentucky.

The young ladies who were winners in this contest were fortunate in being able to land the trip, and both they and the Bee wish to thank all who helped them in their race. All in all, the contest was very successful and all on the trip are now enjoying something the memory of which will be a pleasant recollection through all their lives.

How to Get Votes

With every yearly subscription to The Earlington Bee, accompanied by \$1 in cash, 3,000 votes will be given. This applies to back subscriptions as well as new subscriptions, and you can pay for as many as you desire. You can also get votes on job printing and advertising—100 votes for each dollar paid on either job printing or advertising. Get your friends to give you the votes when they pay any of their accounts. But the best way to get votes is to secure subscriptions to The Bee, as the schedule of votes is so much greater for subscriptions than for anything else. You will be surprised how easy it is to get subscriptions to The Bee if you try.
